

MEDICAL AND DENTAL COUNCIL OF NIGERIA

THE REGISTERED DOCTOR: A ROADMAP TO EXCELLENCE IN MEDICAL AND DENTAL PRACTICE IN NIGERIA

ENSURE YOUR PLACE IN THE MDCN MASTER REGISTER TODAY

The Medical and Dental Council of Nigeria (MDCN) is updating its Master Register

- All registered medical, dental and alternative medicine practitioners must promptly update their profile accounts on the MDCN website (www.mdcn.gov.ng).
- If you do not have an account, please create one to receive your login details via email, after global verification processes.

- Updating your professional record is essential for compliance with MDCN regulations and shows your commitment to professional standards
- All registered medical, dental and alternative medicine practitioners should note that only the most recent detail on record will be included in the **Master Register** to be published in **2025**

- Additional qualification (AQ) registration is required for your recognition as a specialist on the **Register**
- For questions and further assistance, Please email: registrar@mdcn.gov.ng

Ensure your professional recognition by completing this update before 14 November 2024
